The chief place of business, the chief executive office and the office where each Grantor keeps its records regarding the Accounts is, and has been for the four month period preceding the date hereof, located at 1241 East Dyer Road, Suite 100, Santa Ana, California 92705. No Grantor has in the past done, and

does not now do, business under any other name (including any trade-name or fictitious business name) except as set forth in the Loan Documents.

(h) Governmental Authorizations. No authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body, other than the notice required to be filed pursuant to Section 25102(f) of the California Corporations Code and any filings required to perfect security interests in collateral under the UCC of any applicable State and/or the PTO, is required for either (i) the grant by any Grantor of the security interests granted hereby, (ii) the execution, delivery or performance of this Agreement by each Grantor, (iii) the perfection of or the exercise by Westar of its rights and remedies hereunder (except as may have been taken by or at the direction of Westar) or (iv) the issuance of the Warrants and the Common Stock.

(i) Perfection. This Agreement, together with filings with the United States Patent and Trademark Office, the Secretary of State of the States of California, Oregon, Texas and Arizona and in Massachusetts creates a valid, perfected and, except for the interests disclosed in Schedule C annexed hereto, first priority security interest in the Collateral, securing the payment of the Secured Obligations, and all filings and other actions necessary or desirable to perfect and protect such security interest have been duly made or taken.

(j) Trademarks. Each Grantor has assigned and granted to Westar a lien on and security interest in, among other assets, all of such Grantor's equipment, inventory, accounts and general intangibles relating to the products and services sold or delivered under or in connection with the Trademarks such that, upon the occurrence and during the continuation of an Event of Default, and subject to the interests disclosed in Schedule C of such persons who are not subordinated to Westar with respect to such interests, Westar would be able to exercise its remedies consistent with this Agreement and applicable law to foreclose upon Grantors' business and use the Trademarks, the Registrations and the Trademark Rights in conjunction with the continued operation of such business, maintaining substantially the same product and service specifications and quality as maintained by Grantors, and benefit from the Associated Goodwill.

(k) Other Information. All information heretofore, herein or hereafter supplied to Westar by or on behalf of any Grantor with respect to the Collateral is accurate and complete in all respects.

SECTION 7. Further Assurances.

(a) Each Grantor agrees that from time to time, at the joint and several expense of Grantors, each Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that Westar may request, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable Westar to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor

will: (i) at the request of Westar, mark conspicuously each item of chattel paper included in the Accounts, each Related Contract and each of its records pertaining to the Collateral, with a legend, in form and substance satisfactory to Westar, indicating that such Collateral is subject to the security interest granted hereby, (ii) at the request of Westar, deliver and pledge to Westar or Lender all promissory notes and other instruments (including checks) and all original counterparts of chattel paper constituting Collateral, duly endorsed and accompanied by duly executed instruments of transfer or assignment, all in form and substance satisfactory to Westar, (iii) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as Westar may request, in order to perfect and preserve the security interests granted or purported to be granted hereby, (iv) at the request of Westar, promptly after the acquisition by such Grantor of any item of Equipment which is covered by a certificate of title under a statute of any jurisdiction under the law of which indication of a security interest on such certificate is required as a condition of perfection thereof, execute and file with the registrar of motor vehicles or other appropriate authority in such jurisdiction an application or other document requesting the notation or other indication of the security interest created hereunder on such certificate of title, (v) within 30 days after the end of each calendar quarter, deliver to Westar copies of all such applications or other documents filed during such calendar quarter and copies of all such certificates of title issued during such calendar quarter indicating the security interest created hereunder in the items of Equipment covered thereby, (vi) at any reasonable time, upon request by Westar, exhibit the Collateral to and allow inspection of the Collateral by Westar, or persons designated by Westar, and (vii) at Westar's request, appear in and defend any action or proceeding that may affect any Grantor's title to or Westar's security interest in all or any part of the Collateral.

(b) Each Grantor hereby authorizes Westar to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of any Grantor. Each Grantor agrees that a carbon, photographic or other reproduction of this Agreement or of a financing statement signed by any Grantor shall be sufficient as a financing statement and may be filed as a financing statement in any and all jurisdictions. Each Grantor will furnish to Westar from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as Westar may reasonably request, all in reasonable detail.

(c) If any Grantor shall obtain rights to any new Patents, Trademarks, Registrations or Trademark Rights, the provisions of this Agreement shall automatically apply thereto. Each Grantor shall promptly notify Westar in writing of any rights to any new Patents, Trademarks or Trademark Rights acquired by any Grantor after the date hereof and of any registrations issued or applications for registration made after the date hereof. Concurrently with the filing of an application for registration of any Patent or Trademark, the applicable Grantor shall execute, deliver and record in all places where this Agreement is recorded an appropriate security agreement, substantially in the form hereof, with appropriate insertions, or an amendment to this Agreement, in form and substance satisfactory to Westar, pursuant to which such Grantor shall assign and grant a security interest to the extent of its interest in such registration as provided herein to Westar.

(d) Each Grantor hereby grants to Westar and its employees, representatives and agents the right to visit such Grantor's and any of its affiliate's or subcontractor's plants, facilities and other places of business that are utilized in connection with the manufacture, production, inspection, storage or sale of products and services sold or delivered under any of the Trademarks, Registrations or Trademark Rights (or which were so utilized during the prior six month period), and to inspect the quality control and all other records relating thereto upon reasonable notice to such Grantor as often as may be reasonably requested.

SECTION 8. Certain Covenants of Grantors. Each Grantor shall:

(a) not use or permit any Collateral to be used unlawfully or in violation of any provision of this Agreement or any applicable statute, regulation or ordinance or any policy of insurance covering the Collateral;

(b) notify Westar of any change in any Grantor's name, identity or corporate structure within 15 days of such change;

(c) give Westar 30 days' prior written notice of any change in any Grantor's chief place of business, chief executive office or residence or the office where any Grantor keeps its records regarding the Accounts;

(d) if Westar gives value to enable any Grantor to acquire rights in or the use of any Collateral, use such value for such purposes;

(e) pay promptly when due all property and other taxes, assessments and governmental charges or levies imposed upon, and all claims (including claims for labor, materials and supplies) against, the Collateral, except to the extent the validity thereof is being contested in good faith; provided that Grantors shall in any event pay such taxes, assessments, charges, levies or claims not later than five days prior to the date of any proposed sale under any judgement, writ or warrant of attachment entered or filed against any Grantor or any of the Collateral as a result of the failure to make such payment; and

(f) use consistent standards of high quality (which may be consistent with the applicable Grantor's past practices) in the manufacture, sale and delivery of products and services sold or delivered under or in connection with the Trademarks, Registrations and Trademark Rights, including, to the extent applicable, in the operation and maintenance of its merchandising operations.

SECTION 9. Special Covenants With Respect to Equipment and Inventory. Each Grantor shall:

(a) keep the Equipment and Inventory at the places therefor specified on Schedule D annexed hereto or, upon 30 days' prior written notice to Westar, at such other

places in jurisdictions where all action that may be necessary or desirable, or that Westar may request, in order to perfect and protect any security interest granted or purported to be granted hereby, or to enable Westar to exercise and enforce its rights and remedies hereunder, with respect to such Equipment and Inventory shall have been taken;

(b) cause the Equipment to be maintained and preserved in the same condition, repair and working order as when new, ordinary wear and tear excepted, and shall forthwith, or, in the case of any loss or damage to any of the Equipment when subsection (c) of Section 10 is not applicable, as quickly as practicable after the occurrence thereof, make or cause to be made all repairs, replacements and other improvements in connection therewith that are necessary or desirable to such end. Each Grantor shall promptly furnish to Westar a statement respecting any material loss or damage to any of the Equipment; and

(c) keep correct and accurate records of the Inventory, itemizing and describing the kind, type and quantity of Inventory, the applicable Grantor's cost therefor and (where applicable) the current list prices for the Inventory.

SECTION 10. Insurance.

(a) Each Grantor shall, at its own expense, maintain insurance with respect to the Equipment and Inventory in such amounts, against such risks, in such form and with such insurers as shall be satisfactory to Westar from time to time. Such insurance shall include, without limitation, property damage insurance and liability insurance. Each policy for property damage insurance shall provide for all losses (except for losses of less than \$1,000,000 per occurrence) to be paid directly to Westar or to the Lender. Each policy shall in addition name the applicable Grantor and Westar as insured parties thereunder (without any representation or warranty by or obligation upon Westar) as their interests may appear and have attached thereto a loss payable clause acceptable to Westar that shall (i) contain an agreement by the insurer that any loss thereunder shall be payable to Westar or to the Lender notwithstanding any action, inaction or breach of representation or warranty by any Grantor, (ii) provide that there shall be no recourse against Westar for payment of premiums or other amounts with respect thereto, and (iii) provide that at least 30 days' prior written notice of cancellation, material amendment, reduction in scope or limits of coverage or of lapse shall be given to Westar by the insurer. Each Grantor shall, if so requested by Westar, deliver to Westar original or duplicate policies of such insurance and, as often as Westar may reasonably request, a report of a reputable insurance broker with respect to such insurance. Further, each Grantor shall, at the request of Westar, duly execute and deliver instruments of assignment of such insurance policies and cause the respective insurers to acknowledge notice of such assignment.

(b) Reimbursement under any liability insurance maintained by a Grantor pursuant to this Section 10 may be paid directly to the Person who shall have incurred liability covered by such insurance. The term Person shall include any individual, corporation, partnership, limited liability company, joint venture, association, joint-stock company, trust, unincorporated organization or government or any agency or political

subdivision thereof. In case of any loss involving damage to Equipment or Inventory when subsection (c) of this Section 10 is not applicable, each Grantor shall make or cause to be made the necessary repairs to or replacements of such Equipment or Inventory, and any proceeds of insurance maintained by such Grantor pursuant to this Section 10 shall be paid to such Grantor as reimbursement for the costs of such repairs or replacements.

(c) Subject to the Loan Documents, upon (i) the occurrence and during the continuation of any Event of Default or (ii) the actual or constructive loss (in excess of \$1,000,000 per occurrence) of any Equipment or Inventory, all insurance payments in respect of such Equipment or Inventory shall be paid to and applied by Westar as specified in Section 19.

SECTION 11. Special Covenants with respect to Accounts and Related Contracts.

(a) Each Grantor shall keep its chief place of business and chief executive office and the office where it keeps its records concerning the Accounts and Related Contracts at the location therefor specified in Section 6 or, upon 30 days' prior written notice to Westar, at such other location in a jurisdiction where all action that may be necessary or desirable, or that Westar may request, in order to perfect and protect any security interest granted or purported to be granted hereby, or to enable Westar to exercise and enforce its rights and remedies hereunder, with respect to such Accounts and Related Contracts shall have been taken. Each Grantor will hold and preserve such records and will permit representatives of Westar at any time during normal business hours to inspect and make abstracts from such records, and each Grantor agrees to render to Westar, at such Grantor's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto. Promptly upon the request of Westar, each Grantor shall deliver to Westar complete and correct copies of each Related Contract. Each Grantor shall, for not less than 5 years from the date on which such Account arose, maintain (i) complete records of each Account, including records of all payments received, credits granted and merchandise returned, and (ii) all documentation relating thereto.

(b) Except as otherwise provided in this subsection (b), each Grantor shall continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Accounts and Related Contracts. In connection with such collections, such Grantor may take (and, at Westar's direction, shall take) such action as each Grantor or Westar may deem necessary or advisable to enforce collection of amounts due or to become due under the Accounts; provided, however, that Westar shall have the right at any time, upon written notice to such Grantor of its intention to do so, to notify the account debtors or obligors under any Accounts of the assignment of such Accounts to Westar and to direct such account debtors or obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to Lender or Westar, to notify each Person maintaining a lockbox or similar arrangement to which account debtors or obligors under any Accounts have been directed to make payment to remit all amounts representing collections on checks and other payment items from time to time sent to or deposited in such lockbox or other arrangement

directly to Westar and, upon such notification and at the expense of Grantors, to enforce collection of any such Accounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. After receipt by the applicable Grantor of the notice from Westar referred to in the proviso to the preceding sentence, subject only to the prior rights of Lender, (i) all amounts and proceeds (including checks and other instruments) received by any Grantor in respect of the Accounts and the Related Contracts shall be received in trust for the benefit of Westar hereunder, shall be segregated from other funds of Grantor and shall be forthwith paid over or delivered to Westar in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 18, and (ii) no Grantor shall adjust, settle or compromise the amount or payment of any Account, or release wholly or partly any account debtor or obligor thereof, or allow any credit or discount thereon.

SECTION 12. Deposit Accounts. Upon the occurrence and during the continuation of an Event of Default, Westar may exercise dominion and control over, and refuse to permit further withdrawals (whether of money, securities, instruments or other property) from any deposit accounts maintained with Westar constituting part of the Collateral.

SECTION 13. License of Patents, Trademarks, Copyrights, etc. Each Grantor hereby assigns, transfers and conveys to Westar, effective upon the occurrence of any Event of Default, the nonexclusive right and license to use all trademarks, tradenames, copyrights, patents or technical processes owned or used by any Grantor that relate to the Collateral and any other collateral granted by any Grantor as security for the Secured Obligations, together with any goodwill associated therewith, all to the extent necessary to enable Westar to use, possess and realize on the Collateral and to enable any successor or assign to enjoy the benefits of the Collateral. This right and license shall inure to the benefit of all successors, assigns and transferees of Westar and its successors, assigns and transferees, whether by voluntary conveyance, operation of law, assignment, transfer, foreclosure, deed in lieu of foreclosure or otherwise. Such right and license is granted free of charge, without requirement that any monetary payment whatsoever be made to any Grantor.

SECTION 14. Westar Appointed Attorney-in-Fact. Each Grantor hereby irrevocably appoints Westar as such Grantor's attorney-in-fact, with full authority in the place and stead of Company and in the name of such Grantor, Westar or otherwise, from time to time in Westar's discretion to take any action and to execute any instrument that Westar may deem necessary or advisable to accomplish the purposes of this Agreement and the other Basic Documents, including without limitation:

(a) to obtain and adjust insurance required to be maintained by any Grantor or paid to Westar pursuant to Section 10;

(b) to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clauses (a) and (b) above;

(d) to file any claims or take any action or institute any proceedings that Westar may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of Westar with respect to any of the Collateral;

(e) to pay or discharge taxes or Liens (other than Liens permitted under this Agreement or the Loan Agreement) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Westar in its sole discretion, any such payments made by Westar to become joint and several obligations of each Grantor to Westar, due and payable immediately without demand;

(f) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other documents relating to the Collateral; and

(g) upon the occurrence and during the continuation of an Event of Default, generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Westar were the absolute owner thereof for all purposes, and to do, at Westar's option and each Grantor's joint and several expense, at any time or from time to time, all acts and things that Westar deems necessary to protect, preserve or realize upon the Collateral and Westar's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as any such Grantor might do.

SECTION 15. Westar May Perform. If any Grantor fails to perform any agreement contained herein, Westar may itself perform, or cause performance of, such agreement, and the expenses of Westar incurred in connection therewith shall be payable by each Grantor under Section 19.

SECTION 16. Standard of Care. The powers conferred on Westar hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, Westar shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Westar shall be deemed to have exercised reasonable care in the custody and preservation of

Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Westar accords its own property.

SECTION 17. Remedies. If any Event of Default shall have occurred and be continuing:

(a) Westar may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the Uniform Commercial Code as in effect in any relevant jurisdiction (the "**Code**") (whether or not the Code applies to the affected Collateral), and also may (a) require any Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of Westar forthwith, assemble all or part of the Collateral as directed by Westar and make it available to Westar at a place to be designated by Westar that is reasonably convenient to both parties, (b) enter onto the property where any Collateral is located and take possession thereof with or without judicial process, (c) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent Westar deems appropriate, (d) take possession of any Grantor's premises or place custodians in exclusive control thereof, remain on such premises and use the same and any Grantor's equipment for the purpose of completing any work in process, taking any actions described in the preceding clause (c) and collecting any Secured Obligation, and (e) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Westar's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as may deem commercially reasonable. Westar may be the purchaser of any or all of the Collateral at any such sale and Westar shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by Westar at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Westar shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Westar may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives any claims against Westar arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if Westar accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, each Grantor

shall be liable for the deficiency and the fees of any attorneys employed by Westar to collect such deficiency.

(b) Upon written demand from Westar, each Grantor shall execute and deliver to Westar an assignment or assignments of the Patents, Trademarks, Registrations, Trademark Rights and the Associated Goodwill and such other documents as are requested by Westar. Each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that Westar receives cash proceeds in respect of the sale of, or other realization upon, the Collateral. Within five Business Days after written notice from Westar, each Grantor shall make available to Westar, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as Westar may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to product, advertise and sell the products and services sold or delivered by such Grantor under or in connection with the Trademarks, Registrations and Trademark Rights, such persons to be available to perform their prior functions on Westar's behalf and to be compensated by Westar at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default.

For purposes hereof, "Event of Default" means the occurrence of any one or more of the following events:

(i) failure to pay any Secured Obligation or any Loan when due, whether at stated maturity, by acceleration, by notice of voluntary prepayment, by mandatory prepayment or otherwise; or failure to pay any interest on any Secured Obligation or Loan or any other amount due under this Agreement or the Loan Agreement within three days after the date due; or

(ii) failure of any Grantor to pay any indebtedness when due (other than indebtedness referred to in clause (i) above and the 10% Notes) in an aggregate principal amount of \$100,000 or more, in each case after any applicable grace period; or (ii) breach or default by Company with respect to any Loan Document or any other term of any items of indebtedness with an aggregate principal amount of \$100,000 or more or any loan agreement, mortgage, indenture or other agreement relating to such indebtedness (other than the 10% Notes), if the effect of such breach or default is to cause, or permit any holder thereof to cause, that indebtedness to become or be declared due and payable prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; or

(iii) failure of any Grantor to perform or comply with any term or condition contained in this Agreement or any other Basic Document; or

(iv) any representation, warranty, certification or other statement made by any Grantor in this Agreement or in any statement or certificate at any time given by any Grantor in writing pursuant hereto or thereto or in connection herewith or therewith shall be false in any material respect on the date as of which made; or

(v) (A) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of any Grantor or any of its subsidiaries in an involuntary case under the United States Bankruptcy Code (the "**Bankruptcy Code**") or under any other applicable bankruptcy, insolvency or similar law now or hereafter in effect, which decree or order is not stayed; or any other similar relief shall be granted under any applicable federal or state law; or (B) an involuntary case shall be commenced against any Grantor or any of their respective subsidiaries under the Bankruptcy Code or under any other applicable bankruptcy, insolvency or similar law now or hereafter in effect; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee, custodian or other officer having similar powers over any Grantor or any of their respective subsidiaries, or over all or a substantial part of its property, shall have been entered; or there shall have occurred the involuntary appointment of an interim receiver, trustee or other custodian of any Grantor or any of their respective subsidiaries for all or substantial part of its property; or a warrant of attachment, execution or similar process shall have been issued against any such event described in this clause (B) shall continue for 60 days unless dismissed, bonded or discharged; or

(vi) (A) Any Grantor or any of their respective subsidiaries shall have an order for relief entered with respect to it or commence a voluntary case under the Bankruptcy Code or under any other applicable bankruptcy, insolvency or similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case, or to the conversion of involuntary case to a voluntary case, under any such law, or shall consent to the appointment of or taking possession by a receiver, trustee or other custodian for all or a substantial part of its property; or any Grantor or any of their respective subsidiaries shall make any assignment for the benefit of creditors; or (B) any Grantor or any of their respective subsidiaries shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or the Board of Directors of any Grantor or any of their respective subsidiaries (or any committee thereof) shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to in clause (A) above or this clause (B).

SECTION 18. Application of Proceeds. Except as expressly provided elsewhere in this Agreement, all proceeds received by Westar in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of Westar, be held by Westar as Collateral for, and/or then, or at any other time thereafter, applied in full or in part by Westar against, the Secured Obligations in the following order of priority:

FIRST: To the payment of all costs and expenses of such sale, collection or other realization, including reasonable compensation to Westar and its agents and counsel, and all other expenses, liabilities and advances made or incurred by Westar in connection therewith, and all amounts for which Westar is entitled to indemnification hereunder and all advances made by Westar hereunder for the account of any Grantor, and to the payment of all costs and

expenses paid or incurred by Westar in connection with the exercise of any right or remedy hereunder, all in accordance with Section 19;

SECOND: To the payment of all other Secured Obligations in such order as Westar shall elect; and

THIRD: To the payment to or upon the order of the applicable Grantor, or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds.

SECTION 19. Indemnity and Expenses.

(a) Each Grantor jointly and severally agrees to indemnify Westar from and against any and all costs, claims, damages, demands, losses, liabilities and expenses (including attorneys' fees) in any way relating to, growing out of or resulting from this Agreement, the Guaranty, any other Basic Documents and the transactions contemplated hereby and thereby (including, without limitation, enforcement of this Agreement and the Westar Subrogation Rights), except to the extent such claims, losses or liabilities result solely from Westar's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction.

(b) Each Grantor jointly and severally shall pay to Westar upon demand the amount of any and all costs and expenses, including the reasonable fees and expenses of its counsel and of any experts and agents (but in no event in an amount in excess of \$25,000), that Westar may incur in connection with (i) the preparation, negotiation and issuance of the Warrants and the Common Stock; (ii) the administration of this Agreement, the Guaranty and the other Basic Documents (iii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iv) the exercise or enforcement of any of the rights of Westar under any Basic Documents, including the Westar Subrogation Rights, or (v) the failure by any Grantor to perform or observe any of the provisions hereof or thereof.

SECTION 20. Suretyship Waivers by Company, etc.

(a) Each Grantor agrees that its obligations under the Basic Documents and the Westar Subrogation Rights are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of such obligations. In furtherance of the foregoing and without limiting the generality thereof, each Grantor agrees as follows: (i) Westar may from time to time, without notice or demand and without affecting the validity or enforceability of this Agreement, any other Basic Document or the Westar Subrogation Rights or giving rise to any limitation, impairment or discharge of any Grantor's liability hereunder or under any other Basic Document or the Westar Subrogation Rights, (A) renew,

extend, accelerate or otherwise change the time, place, manner or terms of payment of any Secured Obligations or, the Guaranty, or any Westar Subrogation Rights, (B) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, any Secured Obligations, the Guaranty or any Westar Subrogation Rights, or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations, (C) request and accept guaranties of any Secured Obligations and take and hold other security for the payment of any Secured Obligations, (D) release, exchange, compromise, subordinate or modify, with or without consideration, any other security for payment of any Secured Obligations, the Guaranty, any Westar Subrogation Rights, any guaranties of any Secured Obligations, the Guaranty, any Westar Subrogation Rights or any other obligation of any Person with respect to any Secured Obligations, the Guaranty or any Westar Subrogation Rights, (E) enforce and apply any other security now or hereafter held by or for the benefit of any Secured Obligations, the Guaranty, any Westar Subrogation Rights and direct the order or manner of sale thereof, or exercise any other right or remedy that Westar may have against any such security, as Westar in its discretion may determine, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and (F) exercise any other rights available to Westar under the any Basic Document, at law or in equity; and (ii) this Agreement, the other Basic Documents, and the obligations of each Grantor hereunder and thereunder shall be valid and enforceable and shall not be subject to any limitation, impairment or discharge for any reason (other than payment in full of the Secured Obligations), including without limitation the occurrence of any of the following, whether or not any Grantor shall have had notice or knowledge of any of them: (A) any failure to assert or enforce or agreement not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy with respect to any Secured Obligations, the Guaranty, any Westar Subrogation Rights, or any agreement relating thereto, or with respect to any guaranty of or other security for the payment of any Secured Obligations, the Guaranty, any Westar Subrogation Rights, (B) any waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including without limitation provisions relating to events of default) of the Secured Obligations, any Basic Document or any agreement or instrument executed pursuant thereto, or of any guaranty or other security for the Secured Obligations, the Guaranty, the Westar Subrogation Rights, (C) any Secured Obligations, the Guaranty, any Westar Subrogation Rights or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect, (D) the application of payments received from any source to the payment of indebtedness other than the Secured Obligations, even though Westar might have elected to apply such payment to any part or all of the Secured Obligations, the Guaranty, any Westar Subrogation Rights, (E) any failure to perfect or continue perfection of a security interest in any other collateral which secures any of any Secured Obligations, the Guaranty, or any Westar Subrogation Rights, (F) any defenses, set-offs or counterclaims which any Grantor may allege or assert against Westar in respect of any Secured Obligations, the Guaranty, or any Westar Subrogation Rights, including but not limited to failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury, and (G) any other act or thing or omission, or delay to do any other act or thing, which

may or might in any manner or to any extent vary the risk of any Grantor as an obligor in respect of any Secured Obligations or the Guaranty or any Westar Subrogation Rights.

(b) Each Grantor hereby waives, for the benefit of Westar: (i) any right to require Westar, as a condition of payment or performance by any Grantor, to (A) proceed against any guarantor of any Secured Obligations or Westar Subrogation Rights or any other Person, (B) proceed against or exhaust any other security held from any guarantor of any Secured Obligations or Westar Subrogation Rights or any other Person, (C) proceed against or have resort to any balance of any deposit account or credit on the books of Westar in favor of any other Person, or (D) pursue any other remedy in the power of Westar whatsoever; (ii) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any Grantor including, without limitation, any defense based on or arising out of the lack of validity or the unenforceability of any Secured Obligations or Westar Subrogation Rights or any agreement or instrument relating thereto or by reason of the cessation of the liability of any Person from any cause other than payment in full of any Secured Obligations or Westar Subrogation Rights, as the case may be; (iii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (iv) any defense based upon Westar's errors or omissions in the administration of any Secured Obligations or Westar Subrogation Rights or any Basic Document, except behavior which amounts to bad faith; (v) (A) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms of any Basic Document or any Westar Subrogation Rights and any legal or equitable discharge of any Grantor's obligations under any Basic Document or any Westar Subrogation Rights, (B) the benefit of any statute of limitations affecting any Grantor's liability under or the enforcement of any Basic Document or any Westar Subrogation Rights, (C) any rights to set-offs, recoupments and counterclaims, and (D) promptness, diligence and any requirement that Westar protect, secure, perfect or insure any other security interest or lien or any property subject thereto; (vi) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, notices of default under any Basic Document or any Westar Subrogation Rights or any agreement or instrument related thereto, notices of any renewal, extension or modification of any Secured Obligations, any Basic Document or any Westar Subrogation Rights or any agreement related thereto, notices of any extension of credit or payment under the Guaranty or any other Basic Document or any Westar Subrogation Rights to any Grantor and notices of any of the matters referred to in the preceding paragraph and any right to consent to any thereof; and (vii) to the fullest extent permitted by law, any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of any Basic Document or any Westar Subrogation Rights.

(c) As used in this Section 20(c), any reference to "the principal" includes each Grantor, and any reference to "the creditor" includes Westar. In accordance with Section 2856 of the California Civil Code (a) each Grantor waives any and all rights and defenses available to any Grantor by reason of Sections 2787 to 2855, inclusive, 2899 and 3433 of the California Civil Code, including without limitation any and all rights or defenses any Grantor may have by reason of protection afforded to the principal with respect to any of the Secured Obligations, or to any guarantor of any of the Secured Obligations with respect to

any of such guarantor's obligations under its guaranty, in either case pursuant to the antideficiency or other laws of the State of California limiting or discharging the principal's indebtedness or such guarantor's obligations, including without limitation Section 580a, 580b, 580d, or 726 of the California Code of Civil Procedure; and (b) each Grantor waives all rights and defenses arising out of an election of remedies by the creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for any of the Secured Obligations, has destroyed any Grantor's rights of subrogation and reimbursement against the principal by the operation of Section 580d of the Code of Civil Procedure or otherwise; and even though that election of remedies by the creditor, such as nonjudicial foreclosure with respect to security for an obligation of any guarantor of any of the Secured Obligations, has destroyed any Grantor's rights of contribution against such guarantor. No other provision of this Agreement shall be construed as limiting the generality of any of the covenants and waivers set forth in this Section 20(c).

(d) Until the Secured Obligations shall have been paid in full and Guaranty shall have expired or been cancelled, each Grantor shall withhold exercise of (i) any claim, right or remedy, direct or indirect, that any Grantor now has or may hereafter have against any other Grantor or person or any of its assets in connection with any Basic Document or the performance by such Grantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute (including without limitation under California Civil Code Section 2847, 2848 or 2849), under common law or otherwise and including without limitation (A) any right of subrogation, reimbursement or indemnification that any Grantor now has or may hereafter have against any other Grantor or other person, (B) any right to enforce, or to participate in, any claim, right or remedy that Westar now has or may hereafter have against any Grantor or other person, and (C) any benefit of, and any right to participate in, any other collateral or security now or hereafter held by Westar and (ii) any right of contribution any Grantor may have against any guarantor of any Secured Obligations. Each Grantor further agrees that, to the extent the waiver of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification any Grantor may have against any other Grantor or other person or against any other collateral or security, and any rights of contribution any Grantor may have against any such guarantor, shall be junior and subordinate to any rights Westar or Lender may have against any Grantor, to all right, title and interest Westar or Lender may have in any such other collateral or security, and to any right Westar or Lender may have against any such guarantor.

SECTION 21. Continuing Security Interest; Transfer of Loans. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the payment in full of the Secured Obligations and the cancellation or termination of the Guaranty, (b) be binding upon each Grantor, their respective successors and assigns, and (c) inure, together with the rights and remedies of Westar hereunder, to the benefit of Westar and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), Westar may assign or otherwise transfer any Secured Obligations held by it to any other Person, and such other Person shall thereupon become vested with all

the benefits in respect thereof granted to Westar herein or otherwise. Upon the payment in full of all Secured Obligations and the cancellation or termination of the Guaranty, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to the applicable Grantor. Upon any such termination Westar will, at Grantor's expense, execute and deliver to the applicable Grantor such documents as such Grantor shall reasonably request to evidence such termination.

SECTION 22. Amendments; Etc. No amendment, modification, termination or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by Westar and, in the case of any such amendment or modification, by the Grantors. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

SECTION 23. Notices. Any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telexed or sent by telefacsimile or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service, upon receipt of telefacsimile or telex, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed. For the purposes hereof, the address of each party hereto shall be as set forth under such party's name on the signature pages hereof or, as to either party, such other address as shall be designated by such party in a written notice delivered to the other party hereto.

SECTION 24. Failure or Indulgence Not Waiver; Remedies Cumulative. No failure or delay on the part of Westar in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 25. Severability. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 26. Headings. Section and subsection headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

SECTION 27. Governing Law; Terms. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES, EXCEPT TO THE EXTENT THAT THE CODE PROVIDES THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF CALIFORNIA. Unless otherwise defined herein or in the Credit Agreement, terms used in Articles 8 and 9 of the Uniform Commercial Code in the State of California are used herein as therein defined.

SECTION 28. Consent to Jurisdiction and Service of Process. ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST COMPANY ARISING OUT OF OR RELATING TO THIS AGREEMENT MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE OF CALIFORNIA, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT EACH GRANTOR ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS AGREEMENT. Each Grantor hereby agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested, to such Grantor at its address provided in Section 23, such service being hereby acknowledged by such Grantor to be sufficient for personal jurisdiction in any action against such Grantor in any such court and to be otherwise effective and binding service in every respect. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of Westar to bring proceedings against any Grantor in the courts of any other jurisdiction.

SECTION 29. Waiver of Jury Trial. EACH GRANTOR AND WESTAR HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including without limitation contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. Each Grantor and Westar each acknowledge that this

waiver is a material inducement for Grantors and Westar to enter into a business relationship, that Grantors and Westar have already relied on this waiver in entering into this Agreement and that each will continue to rely on this waiver in their related future dealings. Each Grantor and Westar further warrant and represent that each has reviewed this waiver with its legal counsel, and that each knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

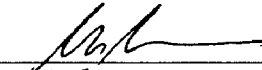

SECTION 30. Interest and Charges. It is not the intention of any parties to this Agreement to make an agreement in violation of the laws of any applicable jurisdiction relating to usury. Regardless of any provision in this Agreement, no holder of the Secured Obligations relating to the making of Guaranty Payments (the "Reimbursement Obligations") shall ever be entitled to receive, collect or apply, as interest on Reimbursement Obligations, any amount in excess of the Highest Lawful Rate. If any holder or participant ever receives, collects or applies, as interest, any such excess, such amount which would be excessive interest shall be deemed a partial repayment of principal and treated hereunder as such; and if principal is paid in full, any remaining excess shall be paid to the Grantors. In determining whether or not the interest paid or payable, under any specific contingency, exceeds the Highest Lawful Rate, the Grantors and the holders of the Reimbursement Obligations shall, to the maximum extent permitted under applicable law, (a) characterize any nonprincipal payment as an expense, fee or premium rather than as interest, (b) exclude voluntary prepayments and the effect thereof, and (c) amortize, prorate, allocate and spread in equal parts, the total amount of interest throughout the entire term of the Reimbursement Obligations so that the interest rate is uniform throughout the entire term of the Reimbursement Obligations; provided, however, that if the Reimbursement Obligations are paid and performed in full, and if the interest received for the actual period of existence thereof exceeds the Highest Lawful Rate, the holders of the Reimbursement Obligations shall refund to the Reimbursement Obligations the amount of such excess or credit the amount of such excess against the total principal amount of the Reimbursement Obligations owing, and, in such event, the holders of the Reimbursement Obligations shall not be subject to any penalties provided by any laws for contracting for, charging or receiving interest in excess of the Highest Lawful Rate. For purposes hereof, "Highest Lawful Rate" means at the particular time in question the maximum rate of interest which, under applicable law, the holders of the Reimbursement Obligations are then permitted to charge. If the maximum rate of interest which, under applicable law, the holders of the Reimbursement Obligations are permitted to charge on the Reimbursement Obligations shall change after the date hereof, the Highest Lawful Rate shall be automatically increased or decreased, as the case may be, from time to time as the effective time of such change in the Highest Lawful Rate without notice to the Grantor.

SECTION 31. Counterparts. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which

when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

IN WITNESS WHEREOF, each Grantor and Westar have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
